

Watchmen on the Wall Commissioning Program

Be Commissioned as a Watchman on the Wall on this year's pilgrimage!

During this Watchmen of the Wall pilgrimage, we will be hosting our Day of Prayer for the Peace of Jerusalem event on the first Sunday of October. **All participants who have done the required preparation will be commissioned during that event by Eagles' Wings, alongside government representatives from Israel, as official Watchmen on the Walls of Jerusalem!** Not only is this an amazing spiritual privilege, but it is also a tremendous spiritual authority that is being conferred upon these believers, and we don't want you to miss out on being one of those commissioned Watchmen!

Eagles' Wings has developed a curriculum that provides in-depth training through a variety of resources. **In order for participants to be commissioned you must complete the following 2 requirements.**

1) Complete the Watchmen on the Wall Course:

Online: Sign up for the online course at my.eagleswings.org/wotwcourse2 (click *Join the Free Course Today*). Read the material for each module, watch the videos, and answer the quizzes, submitting your responses at the end of each quiz.

Workbook/Manual: If choosing to use the printed version of the Watchmen on the Wall Manual (available for purchase [here](#)), read through the manual, answering the Q&A's at the end of each chapter. When completed, scan your written answers and email them to office@eagleswings.org (put "WOTW Completed Assignments, with your Full Name" in the subject line). You can also photocopy all 8 Q&A's with your written answers and mail them to our office at *Eagles' Wings / Attn: WOTW / P.O. Box 450 / Clarence, NY 14031*. Please be sure to bundle them together with your name and contact information so we can clearly identify your work.

2) After completing the course, all participants must write a brief paragraph for each of the 5 following questions (submit by email to office@eagleswings.org, or mail to the above address along with your Watchmen course work):

1. Write seven reasons (Biblical or Non-Biblical) why it is important for believers to pray for the peace of Jerusalem and for the Jewish people.
2. Briefly explain 2 media distortions and the correct facts from each situation.
3. Briefly explain "Replacement Theology," and present 1 reason why it is in error.
4. Briefly describe the true goal of the Boycott, Divestment, and Sanctions (BDS) Movement against Israel.
5. List 5 differences between Islam and Christianity.

After completing the Watchmen on the Wall Curriculum, our pilgrimage represents the "on-site" training that will complete the Watchmen program. We are calling for Christians to visit the Holy Land not as mere tourists, but rather as spiritual pilgrims who engage in historical and cultural education, and informed intercession as Watchmen on the Walls of Jerusalem. Thus, participants will not only be privileged to enjoy Israel's rich past, but they are presented with the opportunity to help shape and support Israel's future.
